**CELEBRATE WITH CHOCOLATE!** Reserve the Studio for your own chocolate party. We listen to your sweet fantasies and together choose a project that suits your preferences and skill level.

**WE MAKE IT EASY.** Decorating the cake (or cupcakes) and making party favors becomes the entertainment - all done as part of your experience at the Studio.

There are two adjoining rooms – the crafting area and the party table. First settle into the craft room for modeling chocolate decorations (the edible play dough of the pastry world). Included in the base price is up to one hour of guided fun decorating the party cake, cupcakes or cookies, or making figures and flowers. Then move on to the celebration table for sweet treats.

If your party is making an additional chocolate project, the pieces are made from delicious, high quality chocolate, ready for you to put together and decorate.
